Mayor, Council Member Reports

Mayor Brad Hawkes: Trees are being killed by the deer from chewing on them. The gym leak in the storage area is not from the roof. It looks like it is from the drain. Need to find out where it is leaking could be leaking by the ac drain, need to clean up the mold. Sprinklers and bowery bathrooms are drained for the winter.

Council Member Rex Nessen: Nothing for the roads, New paved road, will be chipped next year.

Council Member Josh Anderson: carpet cleaner not pumping water, see about getting it fixed. Look at budgeting carpet cleaning half at a time

Council Member Craig Hawkes: cemetery meter is a 2 inch not a 1 inch. Needs to be changed in pelorus so it reads correctly. Will be getting a bill from Grovers for fixing the water line, they replaced the line at Joes with new, so it won't break. Nate Spackman for handling the water, thank you. Chlorinator needs tin put on it before winter. Levi Weston needs to get a water meter before finishing his house.

Council Member Mark Sorensen: water is shut off at the cemetery, but it has not been drained.
